EDUCATION

| | |
|----------|---|
| Pursuing | Degree in Bachelor of Technology in Computer Science <i>Lovely Professional University</i> |
| 2019 | Intermediate with Maths, Physics and Chemistry from CBSE Board with 76.4% <i>S.G.R.R.Public School</i> |
| 2017 | High school form CBSE Board with 7.2CGPA <i>S.G.R.R.Public School</i> |

PROJECTS

| | |
|------------|--|
| Class 12th | Fire Alarm System S.G.R.R.Public School ✧ In this project by I made fire alarm system using heat detector. ✧ Working of this project was based on heat detected by the detector and then melting itself to complete the circuit and ring the alarm. ✧ From this project I learned how to assemble all the components and how a fire alarm works. |
